

# MINI-RECYCLING ACTIVITY SHEET

We would love you to participate in this mini-recycling activity. All you have to do is fill in a few numbers! You'll get a gold, silver or bronze star on your sheet depending on how well you do. And, what's more, there will be a gift for the adult and children winners!

How many of these everyday items\* did you put aside for recycling over 3 weeks? (Please write the number of items in the columns.)

<b>Recyclable product</b>	<b>Week 1</b>	<b>Week 2</b>	<b>Week 3</b>	<b>Total</b>	<b>Star award</b>
<b>Glass</b>					
<b>Clean paper &amp; cardboard</b>					
<b>Aluminium</b> (can include any of the following: beer cans, food cans, clean aluminium foil, etc)					
<b>PET</b> (plastic bottles)					
<b>Organic decomposable</b> (can include uncooked fruit & veg, flowers, plants, egg shells, bread, coffee and tea dregs, cork (not plastic) wine bottle stoppers)					
<b>Used Batteries</b> (Coop and Migros often have collection points for these... otherwise bring back to the shop where purchased)					
<b>Light bulbs</b> which have a recycling sign printed on them (bring back to shop or find a collection point)					
<b>Out of date pills and medicines</b> (chemists accept all these)					

\* If it helps you to count in a unit of measure, for example, kilogrammes, then please write kg beside your answer in the column

**Your name(s)**.....

We would very much appreciate it if you could return your sheet at the latest **by 28 April**, either by email to:
